Subject: Appeal of USAC Funding Decision - Docket 02-6

Request for Review

Request For A Waiver

RE: Entity: 153532

School: Talmud Torah Adas Yereim Monsey

Form 471 # 880642, FRN 2401596

We would like to appeal and request a waiver for FRN 2401596. This mentioned FRN had a PQA which I believe was responded to, and no follow-up questions were received.

The school got a letter from a collections agency on March 14, collecting funds for the above referenced FRN. At that time an appeal was sent in to USAC but dismissed because it was past 60 days.

During this time the school had a change of administration, and although it is believed that all emails were responded to it is possible that something slipped through the cracks resulting in something being left unanswered thereby the funds were attempted to be collected by a collections agency,

I am appealing this decision and requesting another opportunity to be granted as the school now has a proper responsible administration in place. I would appreciate the opportunity to be able to respond to any requests, reviews etc.

Thanks for your consideration.
